List the typical tuition, required fees, and food and housing for a full-time undergraduate student for the academic year. (30 semester hours or 45 quarter hours for institutions that derive annual tuition by multiplying credit hour cost by number of credits).

A full academic year refers to the period of time generally extending from September to June; usually equated to two semesters, two trimesters, three quarters, or the period covered by a four-one-four plan.

Food and housing is defined as double occupancy and 19 meals per week or the maximum meal plan.

Include only charges that all full-time students must pay that are not included in tuition (e.g., registration, health, or activity fees.)

Do not include optional fees (e.g., parking, laboratory use).
